- **Powerful 250W long life halogen lamp**
- **Oil wheel decoration effect**
- **Remote control included**
- **Manual focus with 25° or 32° spread angle (optional 43°)**
- **Speed and direction control of oil wheel for total versatility**
- **Gobo pattern slot for special framing or gobo effects**
- **No duty cycle no cool down time - lights all night!**

Ten easy interchangeable gobo patterns give the oil effect depth while shaping the projection to your own unique environment and shielding from glare. The gobo sits in an easy-access slot on top of the fixture.
